LADY ARMANI

A photograph of two women, Krystal and Alaya, in a close embrace against a white wall. Krystal, on the left, has curly brown hair and is wearing a bright pink one-piece swimsuit. Alaya, on the right, has dark hair pulled back and is wearing a light purple one-piece swimsuit. Both women have red nail polish. They are looking down and smiling softly. The text 'KRYSTAL & ALAYA' is in large white letters with black outlines, and 'PLAY WITH TOYS' is in pink letters with white outlines, both positioned on the left side of the image.

KRYSTAL & ALAYA PLAY WITH TOYS

It's going to be a dude-less day. No fleshy cock around here, only plastic. What's great about toys is variety on the spot. We can pick and choose the type of device we want in our pussies. Don't misunderstand, we love guys, but when we just want to be alone and not have to deal with a dude, then plastic is for us.

See what we mean, no guys, just us girls and our toys. Nice and slow, nice and easy. No manic pounding of pussy or mouth. Just a nice sensual pace that makes the day and the sex last longer. Girls, we hope you'll take it from us and have a dudeless day today.

A woman with long, wavy brown hair and blue eyes is posing on a patterned couch. She is wearing a blue, studded, halter-neck bikini top and matching bottoms. She is also wearing high-heeled sandals. The background shows a living room with a fireplace mantel and a framed picture.

It's always an adventure for the guy that's with me. I love being naked in places where I probably shouldn't be. Like a hotel Jacuzzi or airport parking garage. I love giving blow jobs and I can deep throat because I don't have a gag reflex and that makes it very easy to take a cock all the way down. Can you name one guy that wouldn't like that?

I really love adventurous sex. It can be anywhere, anytime, with almost anyone, guys or girls. I've done it at a rest stop and a bus stop, a scenic overlook, by the side of a road, in a car while it was fueling at a gas station, at the top of the huge sky wheel in Vegas, in a gondola in Venice, on a rollercoaster, in a balcony at a concert, and even in the back of a flower delivery truck. Yes, I have.

I'M BACK
AND I'VE
BROUGHT
MY BOOTY
WITH ME

The editors of this magazine tell me that I get as much fan mail as anyone else. Usually it's about my voluptuous body and big boobies, but a lot of them want my booty. Even though I'm not a bubble butt, I sure got one that pleases the guys and girls

I think I'm the perfect fuck-buddy. I'm kinda like the female teddy bear of sex. You want me propped on the pillows of your bed at night waiting for you to get in so you can grab me and we can cuddle. Then I turn into the grizzly bear of sex. Hungry for your meat. I bite and suck you down. My fierce mouth attacks and you cannot run. I keep at you until your juices flow out and I swallow them down.

BLACKBOOTY

SHADES OF BROWN

I think I'm an average man – mid-twenties – six feet tall – about 180 lbs. – and very athletic. I lived in a bad part of town most of my life but then was able to move to the more influential side of town after I got my last promotion to Account Manager at my agency. And this is where my life changed so dramatically that it would never be the same.

Well, I just moved in to my new pad where it's the first time in a gated community. It was a nice three bedroom townhouse with a community pool in the back, and cobblestone walkways all around the place. As I was moving my stuff in, one of the neighbors came over to say "hello." She was hot – about 5' 9" tall and thick in all the right areas, with nice DD-sized titties and a juicy ass that I bet if you slapped it that thing would look like the ocean waves.

Not at all what you would expect from a housewife in the suburbs, for sure. So I stopped and talked with her for a bit and she said if they got to loud over there to just let them know and they would turn it down. She said that her husband does a lot of gatherings for his job at the house and sometimes they can get a little out of control. I told her that it was no problem as I worked nights mostly and it would not bother me. She left to go back to her place and I just stood there watching her ass bounce in those tight jeans as it swayed back and forth. She knew how to walk away and work every step she took, that's for sure.

So I start setting up my new house. A few weeks go by and I'm sitting at the house on my day off and I am surfing the net when I come across this webcam site. I explore it a little bit, then type in my zip code and it shows local webcam models and as I scroll

through the site. I stop dead in my tracks as I see my neighbor right there in a sheer nighty and matching thong. I could not believe my eyes so I set up my computer to download the show. I watched as she played with her pussy and then stuck the biggest dildo I ever saw in her ass and pussy then licked it clean. She did this for a while smiling and loving it the whole time. I made a DVD copy and put it in an envelope and sealed it. The next day I put a scheming little plan in motion.

To the Editor,

I'm writing to profess my love for Marie Luv. I've followed her career ever since she first appeared in a video. Yes, she's changed a lot, but her sexual intensity and animal magnetism still shines through every fuck. She makes some of the best faces when she's getting fucked and the sounds coming out of her mouth are like animals squealing in heat. One of the really cool things about her is her fellating. She can really suck a mean cock and, even more than pussy fucking, for me, that's the biggest turn on. Imagine, with the warmth of her mouth and flexibility of her tongue, and using her hands, what a blow

job she gives. And... on top of that, your balls are right there and she'll take care of them, too. Now that's something no pussy can do. It's almost like having two girls down there. And on top of all that, she's just a beautiful, sexy woman that any guy would love to fuck. Me included!

– James, Akron

*I finally took the blindfold off her and she recognized me.
She told me what a prick I was, but how exciting
she found it also.*

I went across town to my old neighborhood to talk with my friends I have known for a while. When on that side of town, I mailed the DVD to her so it would not look like it was coming from the same zip code as ours. This way I can have a little fun with her. With the DVD, I also put a note in it with an anonymous email name for her to email if she wanted to keep this a secret. About four days later I see the mailman stop at her box and I saw my envelope put into it and I knew today was the day I would have my fun not sure how far I would take it or if she would bite on my threat to show her husband and friends but we will soon see.

About an hour later she pulled in her driveway and checked the mail. As she walked up her steps, she started to open the package and noticed it was a DVD and a letter. As she read the letter, she looked around to see if anyone was watching her. Then she walked inside her place and I assume she watched the DVD. Minutes later, maybe like fifteen, I received an email from her with all the required info on it. I asked for and a pic of her on her knees naked and her phone number written on her chest.

After I saw that, it was obviously something she didn't want anyone else to know. I sent an email back to her telling her to be at the local grocery store in an hour in a thong, no bra, short skirt, and tight white shirt. She was to be outside in the back of the parking lot waiting for me. I got there a little before she did so I would be ready. I did not want her to see who I was just yet, so I had

planned on blindfolding her. So I had one ready and as I saw her pull into the parking lot I had a young man that worked there walk out to her and tell her to put this on and someone will be here to get her soon.

She slowly put it on wondering what was going to happen but after she got it on I pulled up and grabbed her arm. Without a word I led her to my car and put her in. As I drove away, I did not speak. She tried to talk with me but I just kept quiet as she would recognize my voice. As I pulled up to my house and into my garage. I got out of the car and went around it to let her out. I finally took the blindfold off her and she recognized me. She told me what a prick I was, but how exciting she found it also. She said my notes reassured her that she was safe and actually got excited and aroused in the parking lot earlier.

She told me she was ready to do anything on the little adventure so I asked her to get on her knees and suck my cock. She looked at me straight in the eyes and then sank to her knees and started to undo my zipper and pull out my

throbbing 9 inch. As she slid the head in and out of her mouth, slowly at first, then more and more of it went down her throat. She was not going deep enough so I grabbed the back of her head and then pushed her all the way until her nose was buried in my pubes. I held her there and listened to her gag as it was all the way down her throat.

I let her head go for a minute then proceeded to grab the sides of her face and thrust my cock in and out as if I was fucking her pussy. I facefucked this woman for ten minutes before I pulled out and shot my load into her mouth and watched it drip off her and onto the garage floor. I saw it hit the floor and the look on her face that she enjoyed it.

She then asked me to put the blindfold back on her and lean her back on the hood of the car, and I did. I pulled her pants and panties down and she told me to eat her out. I willingly obliged and parted her legs and buried my nose into her snatch and started licking. I tasted sweet pussy juices and musty sweat that was a huge turn on. I finished her in three minutes as she was so hot from earlier. After she came, she got off the car and dressed. I drove her back to the market so she could get her car.

The next day, I sent her an email telling her it was not over and she was a good girl yesterday. I wrote that I'd be sending another set of instructions for her to follow. Then I sat back and thought about what to do next.

A woman with long dark hair and bangs is posing on a set of stone stairs. She is wearing a black corset with lace-up details on the back, red fishnet stockings, and black high-heeled shoes. She is looking back over her shoulder at the camera with a smile.

LADY ARMANI

IT'S NOT THE SIZE
OF THE BOOTY BUT
HOW YOU USE IT

I think I reached one of my sexual peaks two years ago and decided to leave my hometown to explore my sexuality. I tried women and loved it but there's just something about a nice big cock in my pussy that drives me wild, and when it's in my ass, I want it in all the way!

She had told Davon that she needed to talk to him about something very important, and the way she said it, it probably was.

PSSY HNTR

Davon is a good friend of mine but a little wacko, and it's that wacko that gets him all sorts of pussy. He drives a well-maintained Acura with a license plate that says: PSSY HNTR. He's so bold with that PSSY thing that he'll ask almost any woman he sees if she has one. I can't stand to be with him when he does. So embarrassing.

We were just hanging out and he said he had a quick errand to do. We're now at his girlfriend Janelle's house. He opens the door and sighs, closing the door behind him

he mumbles "Sorry Janelle, I was supposed to meet another friend and I got side tracked." Janelle laughed as she got up and said "Don't worry. Let me know when your ready again." "Sure." smiled Davon. As he kissed her one last time for the day, Janelle began to rub his cock through his jeans. She took his hand pushed it down her shorts and over her mound. "I just shaved for you." Davon stuck

in two fingers, moved them around and pulled them out, putting them into Janelle's mouth. She sucked his fingers and looked up at him.

Janelle pushed him out the door. Davon flew out and we headed over to Lila's house. Lila was quite the girl. She was just a little over five-foot-two with cute perky boobs and a firm round ass. She too met Davon through his crazy antics. She was a self-confessed nympho and I think they have even gotten it on a couple times. She had told Davon that she needed to talk to him about something very important, and the way she said it, it probably was.

We had finally made it to her house and he knocked on the door. Lila immediately opened the door and literally pushed and shoved him into her house. She sat him down on her sofa. I took the side chair and tried to be inconspicuous. "Okay, so what is so important, Lila?" "Okay listen, I'm going to tell you something important?" Lila raised her eyebrows. Davon nodded as he waited for the 411.

"Alright, so I not only like guys but I think I'm also liking girls. I've done another girl but I was hoping you could introduce me to your girlfriend, Janelle. I don't know if she's been with another girl or not, so I was wonder..." "You saying you want to get it on with Janelle?" he says interrupting her. "I know she's done a girl or two but doesn't consider herself gay, because she's now got this." he says grabbing his crotch and looking over and winking at me.

Lila continues, "I'd be willing to sweeten the pie. If you ask her, I'll join you in a threesome, and I can sneak into her pussy that way." Davon sat back on the sofa

and cupped his hands behind his head to think about it. "Okay, I'll ask her." he says. "No, you have to convince her." says Lila. "Okay, okay." he snaps back. "Gimme a day." We get up and leave her place.

"Hey Davon, watcha gonna do?" I ask. "I'm gonna ask Janelle." he replies. "How can I give up a chance at a three-way with those two?" We laughed and high-fived and low-fived. Next day I got a call from Davon. "Dude, Janelle didn't go for it. She said she doesn't do girls anymore and for sure she won't do a three-way. And if that's what I want, then I don't want her." "Damn, Davon." I said. "That's cold. No other way you can convince her? At least to take you back? Did you tell her you were just trying to do a favor for a friend?"

"Yea man, I said all that stuff, and she just knocked me down. I think I need to chill for a bit and give her some time to cool off." He said. "I'll call her in a couple days and she'll take me back. I know it."

Well, my fellow readers, several days have passed and she didn't take him back, so if you thought you were gonna get a letter with Davon fucking a couple of PSSYs as they did each other – nope ain't happening – but I had ya goin'!

I tend to think that my
blow job skills are the
best. Ain't nobody does it
the way I do. All I know is
that the boys know that
and they keep cummin
back for more. I've blown
so many cocks that I've
lost count. If you ever
watched my videos, you
wouldn't have even asked
that silly question.

The weirdest thing a guy has asked me is if I would do his thirty year-old girlfriend! I was shocked. I mean, I knew him enough to have had sex with him, but one day we're driving to the class and he asked me that. I told him I had to think about it. We went to the movies and I never saw him again. It's not that I don't like or do girls, but that was just a request I did not want to deal with.

OVER 18 ONLY

a most wonderful afternoon

the pool's the place

Most guys will agree, when you are 22 years old your hormones rage and you want to fuck everything in sight. When you're young, dumb, and full of cum, your small head has a way of making you throw out the normal thought processes. Things like eating right, getting to work on time, brushing your teeth regularly, even cutting your toenails. Montell and I grew up together and we did adolescent, and then young man things. Well, I had one of those experiences when it came to my Montell's neighbor who is a teacher. A couple years ago, her husband left her for his secretary (how typical). Montell (and I) had gone off to college and when we returned, the neighbor had her sister living with her. Two years later, sister has moved out and the teacher lady is living by herself.

I remember one time when I visited him and his neighbor was out in her yard. I'd look at her, not as Montell's neighbor lady, but as one hot MILF. Two years ago I did not know that term, now, every lady older than me is a MILF, and it's tough because they're all over the place. Montell was now living back home and I go over to hang out – and eat their food. Even though I don't have a key to their house, I do have an open invitation to stop by whenever I want. Which is what I did.

Entering the side door, I walk into the kitchen calling Montell's name, but no answer. I walk into the house and through to the living room. Out of the corner of my eye, I see some movement through the double patio doors and head over there. No Montell, but his

neighbor was by the edge her pool wearing a very skimpy red bikini bent over and rubbing sun tan lotion all over her long legs. For her age, she was in great shape because after the divorce she got a personal trainer to get in shape to "find herself a man" he told me. Montell thought she was boffing her trainer but booted him after seeing him cozy up to another guy at a restaurant.

She had a great ass, especially for a 33 year old woman. She turned towards the house and adjusted a pool chair and draped a towel over it. Her boobs bouncing with her arms flapping the towel. Her body gleamed in the sun from all the oil on it. I stood there daydreaming of her naked after I ripped off her bikini. I bent her over the chair and took her from behind grabbing her big breasts for leverage.

I decided to turn and quietly leave and take my fantasy with me when I bumped a chair near the door. "Is that you Montell?" I heard her ask from outside. "No, it's Dante." I answered. "Oh hi, Dante. Montell went across town to pick up some things for me and suggested I just chill here at the pool." she said. "Oh, okay." I answered. Then she says, "Dante, would you be a dear and bring me my iced tea. I left it on the kitchen counter." "Right away." I say and run

to the kitchen to get it and run back even faster to the patio doors. I opened the door and go outside to find her still rubbing her body with lotion. "Put it there, dear." she said pointing to the table beside her lounge. She sat down

straddling the chair backwards and undid the tie strap of her bikini top letting it drop to her lap. "Dante, are you in a rush?" she asks. "No, not really." I respond. "Then would you mind oiling up my back where I can't reach." "Sure." I say – at a loss for words as she's now topless in front of me.

I put some lotion in my hands and then onto her shoulder blades. She jerks her shoulders and says, "That's cold. Don't you know that you're supposed to rub your hands together to warm it up?" she semi-scolds me. "No, I didn't know that." I manage to get that out. I spurt the next dollop of lotion in my hands and warm it up as instructed. She scoots forward in the chair and leans her arms on the back of it, making some room for me to sit, which I do. I rub the lotion onto her back with firm circular strokes and I sense little moans coming from her. Then a soft "That feels so nice." I go back for another dollop, warm it up and massage it into her lower back, slipping a finger or two under her bikini bottom now and then. I especially work the side of her marvelous hips and the sensual curve they make. I run my hands up her sides, briefly brushing the side of her boobs hanging forward as she leans on the chair back.

"Oh that's great, Dante, would you do one more thing, please move my hair out of the way and do my neck." she says. I say nothing and take her hair and drape it around the front of her neck. As I put some more lotion in my hands, she lowers her head and shakes her hair. Man! Was that ever sexy, and I think she knew it. I massage some more lotion into her neck and shoulders when suddenly she swings a leg over the chair and turns to face me, sitting back in the pool lounge. I can't help but look as her bare breasts swing around and settle perfectly on her chest. Friction pulls her bikini bottom back a little, exposing about a half inch of the top of her closely cropped pubic hair. She glances briefly down there but doesn't say anything more. "Dante, there's just one more place that needs lotion. Can you see it?" she says with a sly smile. Meekly, I point to her chest. "Would you mind?" she asks taking the lotion bottle from the table and handing it to me.

My boner is pushing hard against my board shorts and she spots it. I put some lotion in my hands and warm it up. Then like a Benny Hill sketch, I extend my hands to lotion her chest but don't know where to put them. I finally settle on her upper chest above her breasts and mustering the courage it takes, lower my hands and massage the oil into her firm breasts. She lets out a sexy moan as I make circles and swashes on and around them.

After a minute, she opens her eyes and focuses on my woody. I put my hands there to kinda hide it but she takes it away, puts it back on her breast and says "Dante, that's nothing to be embarrassed about. It's actually kinda flattering. Did you shower today?" she adds after a pause catching me by surprise. "Yes I did. Why?" I ask. "Because I like my men clean." she says with a look that made

my boner jump out my pants. She slides her hand up my leg and under my pant leg grabbing what she was seeking. I moan at her touch as she says "Dante, you're very hard... and big." Which I definitely was.

She flicks her hand at my shorts motioning me to stand up and take them off. I obey like a puppy dog and she coils her finger telling me to come closer. I take a step over to her and she sits up and takes my cock in her oily hands. Stroking it with one hand, she slides the other under me to my balls and pulls at them. Working my cock and balls with her hands, she slips a finger under me and between my ass cheeks finding my butthole. I jump and she looks up at me smiling. She pulls that hand away and moves it around my hips to pull me closer and into her mouth. She swings both legs over the side of the chair, opens them and pulls me between. Perfect position for the tremendous blow job I hope I'm hoping to get.

As she's working my cock with her mouth I take my shirt off and she immediately pinches my nipples. It hurt and felt good at the same time. Both her hands are behind me

Working my cock and balls with her hands, she slips a finger under me and between my ass cheeks finding my butthole. I jump and she looks up at me smiling.

I greased up her ass cheeks and her crack and slowly inserted my trouser rocket into her port. She yelped a little from my size, but quickly began moving back and forth to get my cock as deep into her ass as possible.

massaging my ass cheeks, and again she works a slippery finger towards my butt hole. I didn't pull back this time but something about that made me even hotter. Thoughts ran through my mind about running my tongue up her asshole into her dripping pussy and sensing the aroma of her snatch in her sopping wet bush. I knew I had to snap myself back to reality fast or I was going jizz on her! Well, her finger entering my butt snapped me back real quick, but at that same moment she took my whole cock in her mouth and yanked on my balls. That made me forget the sweet pain in my ass and by the time she backed her mouth off me, I kinda liked her finger there. Sensing that, she turned my hips so my ass was in her face and she started licking my asshole. No woman had done that before and it felt amazing. Reaching under me, she pulled at my rock hard cock and pushed me to bend over. She worked my cock until I let out a moan and started to cum, but then squeezed the base of my cock and stopped it. I was amazed at this little trick, and thankful because I was going to let loose.

Apparently, now it was her turn as she got on her hands and knees on the lounge and offered her butt up to me. I went behind her and dropped to my knees and started licking her pussy from behind. I hadn't licked butt before, so this was going to be my first time. I plunge my tongue into her puckered and waiting anus and lick furiously with my raging 22 year old hormones out of control. When she decided she had enough she bent over more putting her elbows down on the chair and resting her head on the lounge. She looked back at me and said with some sternness, "Put your cock in there." I didn't need to be told twice. I greased up her ass cheeks and her crack and slowly inserted my trouser rocket into her port. She yelped a little from my size, but quickly began moving back and forth to get my cock as deep into her ass as possible. I grabbed her hips and pulled and pushed at them with a rhythm that went on for minutes. Just as I was about to cum, she reached back between her legs and mine and shoved her finger into my ass and I exploded in her anal cavity like a volcano. I felt her sphincter tighten with her orgasm that milked every drop out of me as she thrust her finger in and out of my ass.

My legs gave out and the two of us dropped onto the lounge with me still in her ass. We lay there for a minute and she looks back at me and says to go get the garden hose so we can clean off. I bring it back to the chair where she takes it and sprays right on my cock and then her ass crack. She wipes us both clean with the beach towel and looks at me and says, "Ready to go again? Dante, my

pussy needs stuffing and you're going to do it, so you gotta hurry before Montell gets back." She grabs my semi-erect cock and deftly brings it back to life with her hands and tongue as I straddle her in the chair. She takes my balls and sucks on one, then the other as I feel her tongue explore them both.

This time, I thought, I take command, so I threw the towel on the ground, gently pushed her back on the lounge and dove into her crotch. I parted her pussy lips and began tonguing her clit. She pulls my head deeper into her snatch and I oblige by shoving and gyrating my tongue in her slit. Slowly I replace my tongue with a couple fingers and work them in and out of her pussy. She arches her back and I slip both my arms under her and slide

up so my cock is at the entrance to her sex. With one swift thrust I'm in and she shudders at my size. My mouth finds her nipples and I devour them as I stuff her pussy with my hardness. I'm pumping in and out pushing hard against her mound. She's scratching my back and screaming softly to do her harder. She buckles under me like a wild horse pulling my ass closer into her as she begins to climax again. I force one hand between us and rub her clit and she screams loud enough to fill the back yard and the neighborhood. I pull out and shoot a still large load onto her chest and she rubs it in with the sun tan lotion. Finished, I take her hand and pull her to the pool. We both jump in and splash around like kids. Montell shows up an hour later but we have cleaned up and sitting in the kitchen waiting for him and her goodies.

My bff and I decided that we just couldn't afford to live in this nice part of town... without a new roommate to help pay the bills. We interviewed a bunch of guys and girls and decided that Joachim was the best fit for us. His huge cock fit perfectly in our pussies and our asses. But most of all he can afford to pay some of the bills.

Forget Jack, Chrissy and Janet. Our house sizzles with sex, not that goody-goody vanilla comedy. We're serious about fucking and since we all live together, it's going on all the time. Joachim has turned out to be the perfect fuck-buddy and roommate. We couldn't be happier, except when his cock is in our asses.

TINY STAR

A SMALL CELESTIAL BODY WITH BIG SEX DREAMS

For those that don't know me, I'm a bit of a mystery.

They never think small girls can have big sexual appetites. For those who do know me, well, they get to taste my huge sexual appetite. If there's a guy that's lucky enough to fuck me, I can give him the ride of his life. My specialty is spinning. I get on the cock and spin on it like a human sex top,

I walked out on my last boyfriend within the first six months. That really made me gun-shy about relationships. Now I just fool around with anyone at hand whenever I get lonely. I was faithful to him, but found that he was screwing around on me the entire time we were together. I should have known that musicians were that way. They don't have a loyal bone in their body. Only boners. Now it's my time to let loose.
